I know this is a sore subject but the rate increase for 2023 will be \$20. This will bring the single wide lots to \$390 and the few doublewide lots that we have to \$425. This is effective May 1st, and immediately applies to any new residents coming into the park. Some parks in the area went up as much as \$75!

Welcome

Inverness Park would like to welcome our newest residents. Kevin & Linda Knorr #50, Graham & Ellen Buller #87, and Joyce Anklam has relocated to #46. Please join me in welcoming them all aboard.

OLDE NEWS

Well it's time of year again for leaves. For those of you who rake, please make sure your leaves are separated from branches and moss. Two separate piles at the edge of the road by 8:00AM, Monday, no need to bag. The leaf train waits for no one!

Coming up in March will be the Park picnic. This years picnic will be hamburgers and hot dogs with all the fixin's, furnished by the park. As always Chef "Rowdy Red" will be our cook, assisted by his wife Bev. I am asking for residents to bring a "side dish" if possible, but not required. Also don't forget your chair. Look for more details in March's Park Bark for final dates and times for this spring extravaganza. Were shooting for mid month, mid week with nice weather.

Remember all new residents MUST fill out an application prior to living in the park. This applies to extended stay residents also over 30 days. This helps keep our park safe and secure in our little community. Remember no renting is ever allowed.

Donna Shilling is looking for some one to help her with house cleaning, chore's, etc. Donna resides at Lot #99 or 352-419-7229 for details.

Also a special THANKS to Bev & Red Willis #37 who works tirelessly to deliver the Park Bark to your door. Thank You for your continued effort!
